## **Lane Closures on Interstate 74 and Illinois 1**

**PARIS** – The Illinois Department of Transportation announces that work will begin Thursday, Aug. 4 on Interstate 74 from west of Ogden to west of Fithian (MM 196 to 200) and on Illinois Route 1 from north of Rossville to the Iroquois County line.

The work will consist of centerline microsurfacing repairs at both locations. During construction, one lane of traffic will be maintained on all routes involved. Traffic will be diverted onto the shoulder for a short time, as the work will extend slightly into the traffic lane.

The overall project has an estimated completion date of Monday, Sept. 19, weather permitting. The contractor for the \$347,080 project is Microsurfacing Contractors, LLC.

Please slow down and use extreme caution while driving through all work zones.
